Masks

- Face Masks 3, 2 ply
- Dust Masks
- Face Masks 4 ply carbon
- Face Masks - Cloth

was designed for protection from dust particles and bacteria. All materials in the mask are of medical grade quality, that ensures a nonirritating, odourless, and fibre-glass free product. For comfort, the interior nose bridge is made of plastic coated wire that can be molded to fit faces, and the low delta pressure allows comfortable breathing.
